

# *Portrait of a Graduate*

*By Mathias and Kara*

# Who are we?

- Kara Puccini
  - I will be a senior for the upcoming school year
  - I'm seeing Harry Styles in concert
- Mathias Yohannes
  - I will be a junior for the upcoming school year
  - I'm preparing for the upcoming cross country season

# Overview

- *The first meeting was an introduction to the changing workforce and why we should implement the competencies.*
  - *It's important to prepare students for the future, especially since new technologies are being created everyday.*
- *In the second meeting we discussed, and made the list of six competencies*
  - *In small groups we ranked the long list of possible competencies*

# Overview

- *The objective of the third meeting was to select the specific qualities that would become the core of Portrait of a Graduate.*
  - *Adaptability, Communication, Critical Thinking, Empathy, Integrity, Learner's Mindset*
- *The fourth meeting focused on the finalization and refinement of these qualities, as well as any other issues still requiring resolutions*
